Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Saturday 16 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers becoming confined to the north and west overnight.

This Evening and Tonight:
Dry at first this evening. Otherwise the rest of the evening and night will be partly cloudy with occasional showers, these fading away across Counties Down and Armagh later. Staying rather breezy in the far north. Minimum temperature 3 deg C (37 deg F).

Sunday:
Some early brightness otherwise becoming rather cloudy. Some showery rain possible across the north in the afternoon, mostly dry in the south. Maximum temperature 7 deg C (45 deg F).

Outlook for Monday to Wednesday:
Dry for most of Monday but some rain likely later. Rain on Tuesday before it becomes drier and bright on Wednesday.
